

Dear Event Planner:

The Consortium for a Healthier Miami-Dade has a new initiative focused on providing a centralized area where all health fair requests or similar activities can be marketed to prospective participating organizations. The attached form is to be completed and faxed to the Miami-Dade County Health Department at 305-278-0441 for dissemination to Consortium members. The more information you are able to provide to the prospective service providers, the easier it will be for you to obtain your desired outcomes.

In addition, the Consortium for a Healthier Miami-Dade's website will have a calendar on its website listing all the health fairs/events that have provided us with their information/requests to help minimize duplication of events and maximize the use of all of our limited assets. Your cooperation is essential in helping with this effort so that we will be able to provide a more comprehensive outreach of services throughout Miami-Dade County.

If you have any questions please feel free to contact the Consortium for a Healthier Miami-Dade at 305-278-0442. Thank you for your assistance in decreasing the service disparities in our communities.

Sincerely,

Martha A. Sanchez
Chair of the Health Promotion and Disease Prevention Committee
