Health Promotion and Disease Prevention Committee Meeting February 18, 2025 2:00 p.m. – 3:00 p.m.

Executive Board Update	• The Executive Board updates were provided by Leyanee Perez. The Executive Board last met virtually on Monday, February 10, 2025.	
	• The Consortium has now completed its nomination and elections process for the Executive Board Co-Chair roles. The new Co-Chairs, Dr. Cristina Brito (West Kendall Baptist) and Mr. Robert Hill (American Heart Association), will serve for the next 2-year term for the 2025 and 2026 calendar year.	
	• Starting next month, the Board would like to start to convene the Planning Taskforce for the Consortium Annual Event and the Worksite Wellness Awards Ceremony, which will be hosted in September/October 2025. Rachel Carson and Melody Velez showed interest in signing up to be a part of the Taskforce.	
	• The Board reviewed and approved the draft digital brochure that includes high level points from the elevator speech and health agenda message to share with interested partners to join the Consortium.	
	• Robert shared an update about presenting for American Heart Month to the Florida Department of Health in Miami-Dade, Office of Community Health and Planning on February 7, 2025, to spread awareness about cardiovascular disease.	
	 Updates were also shared on the topic of food insecurity, and the Mayor's Initiative on Food and Nutrition For All Collaborative. We are still in the process of getting more donations from other supermarkets and are still open to explore different avenues to continue supporting food pantries. Simone Cheong shared about a program in Orlando that takes near-expiring produce from Publix and works with another company that freezes the products into meals, which are then distributed to the needy and elderly in their community. 	
Member Spotlight Presentations	 This month's member spotlight was for Kelsey Jo Evans, Director of Outreach and Development for Camp Boggy Creek, which is a camp that serves children aged 7 to 17 with serious illnesses throughout the state of Florida. It is a dedicated camp space out in the wilderness just outside of Orlando with a state-of-the-art medical facility, including specialists for the kids' specific diagnoses, where kids can socialize with others like them while enjoying typical camp activities, such as swimming, boating, fishing, arts and crafts horseback riding, and theater. They offer Family Retreat Weekends for the family, caretaker, and/or guardian of the child to join them at camp as a steppingstone for the child to eventually attend their Summer Camp Sessions, where kids can enjoy some time away from their families and medical facilities/hospital stays. Camp Boggy Creek is funded by major donors and healthcare partnerships. For more information, please connect with Kelsey Jo Evans via email at kjevans@campboggycreek.org. This month's second member spotlight was for Robert Hill from the American Heart Association, 	
	an organization that aims to promote optimal health outcomes in 5 key priority areas: (1) raising awareness about cardiovascular disease in women, (2) addressing community needs, (3) ending ecigarette & tobacco use, (4) controlling blood pressure, and (5) improving nutrition security and

	building health & well-being. Their current top 3 priorities are Community Readiness, Nutrition Security, and Patient Care. Community Readiness includes adoption of CPR training for staff and adoption of community CPR response, which means to make sure that there are plans in place for anyone in an organization or place of business to respond to a cardiac emergency by making sure there are working and accessible AEDs in the area or facility. Nutrition Security works to improve the food safety net, expand SNAP utilization, and coordination and collaborate between Direct Service Providers. Patient Care refers to increase in awareness, clinic and community linkages, and hypertension, cholesterol, & diabetes management. For more information, please reach out to Robert Hill at Robert.Hill@heart.org.	
Previous Action Items	 Work Plan Activity Brainstorm Follow-up We are continuing to work to develop the new Community Health Improvement Plan, which should be ready in the summer. The committee discussed updating the objectives and thinking of new ideas for the new CHIP. Robert shared updates on the American Heart Association (AHA) Community Impact Opportunity List. 	
Recognition of Improved Performance	Updates on Recognition of Improved Performance were not shared.	
Performance Measures in Need of Improvement	• The committee discussed the indicator for using push notifications on cell phones. Leyanee Perez suggested inviting a partner that is more well-versed with social media, apps, and technology that could help with this indicator.
