<td>Review Marketing &amp; Membership Workshop feedback results</td>
<td>Consortium members were invited to attend the eighth workshop entitled <em>Electronic Cigarettes &amp; Marketing</em> hosted by the Marketing &amp; Membership Committee on February 5, 2014 from 3pm-4pm at CBS4. The presenter is Nancy Maidique, Chair of Tobacco Free Workgroup. Committee discussed E-Cigarettes topic and how doctors consider it to be healthier, but literature does not support that. There are a lot of chemicals in E-Cigs but we don’t have the conclusive data yet.</td>

Committee discussed workshop topics for the month of March 2014. Adam suggested Karen Weller, Director of Office of Community Health & Planning present on the Consortium for a Healthier Miami Dade at the March Marketing & Membership committee meeting. Mrs. Weller confirmed she would present on the Consortium. It was recommended that Mrs. Weller present on a general outline of the goals of the department and how they integrate with the Consortium as well as talking about each committee and what they are doing. As a different course of action, this would be to motivate people coming into the new year and feel a connection with the Florida Department of Health leadership.

As far as future workshops, Nelly suggested another workshop on Public Relations. An expert that specializes in Health Public Relations. Leyanne suggested Business Etiquette - Collaboration amongst committees as a workshop topic. Adam brought up the speakers bureau for future. Shanika mentioned speakers bureau component is being revamped by Adam Frankel - website administrator. The MM committee wants to be in charge of getting the word out and finding organizations and businesses that are good matches available for the topics. Another idea is having the speakers bureau as the Marketing & Membership workshops. Nelly mentioned the best way to market the Consortium is through the speakers bureau. She also mentioned having the Miami Herald write on what the Consortium is.

Committee Stipend suggestion- Develop a facebook page for the Consortium. Use the stipend to market it.
