**Headline 3**

The Consortium for a Healthier Miami-Dade was established in 2003 by the Florida Department of Health in Miami-Dade County to address the increasing rate of chronic disease in the community. The goals of the Consortium are to:

- Integrate planning and assessment processes to maximize partnerships and expertise of the community in accomplishing its goals.
- Increase the percentage of adults and children who are at a healthy weight.
- Build and revitalize communities so people can live healthy lives.
- Increase access to resources that promote healthy behaviors.

The Consortium is guided by the goals and objectives established in Healthy People 2020. It is comprised of over 300 members, all united by the common belief that through collaboration and prevention-focused initiatives, Miami-Dade County residents can live longer, healthier and happier.

Membership is free and open to all individuals who support the vision, mission and goals of the Consortium. To become a member and learn more visit our website [www.healthymiamidade.org](http://www.healthymiamidade.org)
