

# Community Redevelopment and Partnerships

- **Integrate planning and assessment processes to maximize partnerships and expertise of a community in accomplishing its goals**
- **Build and revitalize communities so people can live healthy lives**
- **Provide equal access to culturally and linguistically competent care**

# Strategic Issue Area:

## Integrate planning and assessment processes to maximize partnerships and expertise of a community in accomplishing its goals

**HP2020 Goal:** Promote health for all through a healthy environment.

**SHIP Strategy:** CR1.1 Include a public health component in community planning processes to increase awareness and opportunity for the built environment to impact healthy behaviors.

**SHIP Objective:** CR1.1.2 By Dec. 31, 2014, all county health departments will have public health attendance in their community planning processes with each of the 67 county planning boards.

**Local Strategy:** Increase collaboration with partners in order to assure that the built environment incorporates opportunity for healthy behaviors to be incorporated into planning documents.

**Local Objective:** By December 30, 2014 a plan will be devised with action steps by the Consortium's Health and the Built Environment that will increase awareness and opportunity for the built environment to impact behavior.

**Current Year Data:**

Miami-Dade: Plan devised

# Strategic Issue Area:

## Integrate planning and assessment processes to maximize partnerships and expertise of a community in accomplishing its goals

**HP2020 Goal:** Promote health for all through a healthy environment.

**SHIP Strategy:** CR1.1 Include a public health component in community planning processes to increase awareness and opportunity for the built environment to impact healthy behaviors.

**SHIP Objective:** CR1.2.2 By Dec. 31, 2013, DOH and the Florida Association of Health Planning Agencies and other organizations will develop resources and training materials that promote health-related conversations about health benefits to communities resulting from the built environment.

**Local Strategy:** Develop resources and training materials on the topic of Health and the Built Environment in addition to identifying speakers who can provide education and community awareness.

**Local Objective:** By June 30, 2019 The Health and the Built Environment Committee of the Consortium will promote health-related conversations about health benefits within the various communities of Miami-Dade.

**Current Year Data:**

Miami-Dade: 20 presentations and technical assistance

(DOH-Miami-Dade Clear Impact Scorecard, 2016)

# Strategic Issue Area:

## Integrate planning and assessment processes to maximize partnerships and expertise of a community in accomplishing its goals

**HP2020 Goal:** Promote health for all through a healthy environment.

**SHIP Strategy:** CR1.2 Share effective strategies and messages that support the connection between the built environment and healthy behaviors.

**SHIP Objective:** CR1.2.4 By Dec. 31, 2015, DOH will work with the Department of Transportation and the Department of Environmental Protection to increase the number of municipalities, counties and regions that have complete streets policies for implementing Section 335.065, Florida Statutes, from 13 in 2011 to 26.

**Local Strategy:** A plan will be developed to allow for the adoption of Complete Streets Policy in Miami-Dade.

**Local Objective:** By June 30, 2019, increase the number of municipalities that have complete streets policies from 0 (2013) to 34.

**Current Year Data:**

Miami-Dade: 10 municipalities have complete streets policies or follow active design guidelines

(DOH-Miami-Dade Clear Impact Scorecard, 2017)

## Strategic Issue Area:

### **Integrate planning and assessment processes to maximize partnerships and expertise of a community in accomplishing its goals**

**HP2020 Goal:** Promote health for all through a healthy environment.

**SHIP Strategy:** CR1.3 Maximize effective and efficient means of collecting and sharing data that is common to multiple assessment processes.

**SHIP Objective:** CR1.3.1 by June 30, 2014, DOH will develop guidance for inspectors to incorporate community assessment activities into their inspections/duties.

**Local Strategy:** Develop guidelines for assuring that the various municipalities within Miami-Dade conduct the appropriate community health assessments prior to undertaking new projects.

**Local Objective:** By June 30, 2019 two municipalities would have conducted health impact assessments within Miami-Dade.

**Current Year Data:**

Miami-Dade: Health Impact Assessments not conducted

(DOH-Miami-Dade Clear Impact Scorecard, 2016)

# Strategic Issue Area:

## Build and revitalize communities so people can live healthy lives

**HP2020 Goal:** Improve the health, function, and quality of life of older adults.

**SHIP Strategy:** CR2.1 Make it safer for people to live active, healthy lives by increasing community policing, addressing substandard housing and increasing aging-in-place opportunities.

**SHIP Objective:** CR2.1.6 By Oct. 31, 2014, DOH will work with the Department of Elder Affairs and other state agencies to disseminate model “Communities for a Lifetime” policies focused on improving health by “aging in place” (e.g., enabling seniors to remain at home for as long as possible).

**Local Strategy:** Support partners in creating opportunities for older adults to be more active in Miami-Dade.

**Local Objective:** By June 30, 2019 a strategy will be written in partnership with the Alliance for Aging that will support older adults being able to age in place with the best quality of life

**Current Year Data:**

Miami-Dade: Strategy written

# Strategic Issue Area:

## Provide equal access to culturally and linguistically competent care

**HP2020 Goal:** Promote health for all through a healthy environment.

**SHIP Strategy:** CR3.1 Promote health in all policies to ensure that decisions and investments promote health or mitigate the negative health consequences of previous policies.

**SHIP Objective:** CR3.1.1 By July 31, 2013, DOH will offer systematic support and technical assistance to CHDs to perform Health Impact Assessments that will systematically inform the decision-making process about health consequences of plans, projects and policies.

**Local Strategy:** Train DOHMD employees in performing Health Impact Assessments

**Local Objective:** By June 30, 2019 conduct one Health Impact Assessment training for DOH-Miami-Dade employees.

**Current Year Data:**

Miami-Dade: 1 Health Impact Assessment Training conducted

(DOH-Miami-Dade Clear Impact Scorecard, 2015)
