HEALTH AND THE BUILT ENVIRONMENT

10:00am to 11:00 am
 Tuesday, July 9th, 2019

<p>New Business: Focus Group Analysis Presentation</p>	<p>The committee liaison shared the findings from the Focus Group Analysis of the Community Themes and Strengths Assessment. The participants of the focus group addressed some concerns in their community (cluster), such as housing, access to healthy food options and neighborhood safety.</p>	
<p>Side Note</p>	<p>Cheryl Jacobs shared that the participation in the Health and Built Environment committee is low and would like to create a survey to be sent to committee members to get their opinion about what the committee offers and what could be changed to increase participation.</p>	
<p>Partner Updates</p>	<p>Committee liaison shared that the Community Health Assessment and Improvement Plan Community Event will be taking place on July 18th, 2019 at the Fire Fighters Memorial Building in Doral. This community meeting is designed to bring community members and organizations together to take a collaborative approach to prioritizing and addressing the needs of the community.</p>	
<p>Adjournment</p>	<p>The meeting was adjourned at 10:52am. The next meeting will be held on Tuesday, September 10th, 2019 from 10:00am – 11:00am. at CRB1080, Don Soffer Clinical Research building 1120 NW 14th St, Miami, FL 33136.</p>
