Brought to you by the Consortium For A Healthier Miami-Dade

Webinar • October 2, 2020 • 10:00 AM—11:30 AM

Join us as we present information on how to facilitate conversations on health equity in times of change and community challenges. From the COVID-19 public health emergency and its impact on minority communities to the nationwide realization that not all is fair or equitable in communities. We will share with you best practices, lessons learned, and strategies for leveraging partnerships to improve leadership and organizational thinking to begin those tough conversations towards lasting change and equity.
