Ten nominees for the Florida Worksite Wellness Awards have been received. (Event info & link were shared in meeting chat). ▪ The Board continues the discussion on COVID-19 vaccinations and the Board supporting the HFSF <i>I Did It!</i> campaign. They also continued the discussion on ways to educate the community better on the COVID-19 vaccinations. ▪ Candice Schottenloher presented the results of the <i>Subject Matter Expert Conversation</i> the Board had back in June. The results highlighted findings from the conversation and compared to the 2013 evaluation. This was conducted to review the sustainability and provide a current evaluation on the Executive Board. ▪ The Board also had a brief health equity discussion to think about how we can raise awareness and understanding of health equity issues and how the social determinants of health play a role within our community. ▪ DOH grant updates were provided RFPs will be for media efforts. RFAs will be related to all areas of the social determinants of health (SDOH). This will be based off underserved areas and communities with high rates of chronic disease as well as the level of impact by COVID-19. There will be a formal call for request of applications tentatively scheduled for September. More details to come as available.
