About Us

Mission

To address the unmet needs of children of high conflict families and children exposed to domestic violence.

Vision

To build community awareness and capacity to screen and identify all children exposed to domestic violence and to provide access to coordinated, comprehensive services through a family-centered system of care to improve the well-being of children and families in our community.

System of Care

The Bridging Families & Communities System of Care is parent driven and child-centered, focusing on family strengths and needs, in a culturally competent and easily accessible manner.

How we can help

Program Goals
