| Welcome and Introductions           | The Consortium for a Healthier Miami-Dade Health Promotion and Disease Prevention Committee meeting was brought to order by Leyanee Perez at 2:00pm.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |  |
| Approval of Minutes                 | There was a motion to approve the November 2021 Health Promotion and Disease Prevention minutes by Beth Ruhmann; the motion was seconded by Candice Schottenloher.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |  |
| Executive Board Update              | <ul style="list-style-type: none"> <li>▪ The Executive Board had a presentation on Thrive305-a survey conducted in Miami-Dade County on approximately 27,000 people. Questions, results, and an action plan can be found at <a href="http://www.thrive305.org">www.thrive305.org</a>. One of the findings of the survey was that 50% of individuals surveyed were unaware of services offered by the county. The survey also found the top concern for most people was public safety.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |  |
| Recognition of Improved Performance | <ul style="list-style-type: none"> <li>▪ By September 30, 2024, the committee will work to host an annual health fair for the community.           <ul style="list-style-type: none"> <li>○ The Consortium for a Healthier Miami-Dade in partnership with the Florida Department of Health in Miami-Dade County’s Office of Community Health and Planning hosted the 2nd Annual Bounty of Health Drive-Thru Food Distribution on Thursday, November 18th, 2021, at the West Perrine Health Center. The event was a great success! Over 300 families were served through Farm Share food and educational items. The event was made possible by partnering with over 20 community organizations that donated educational materials and promotional items.</li> <li>○ A Virtual Educational Series was premiered the day before on November 17th, 2021. The video had over 100 views and focused on the topics of COVID-19 vaccines, Nutrition, Physical Activity, Maternal Child Health, Blood Sugar, Health Equity, Healthy Aging, Stress &amp; Self-Care, Journey to Wellness Rx, and Tobacco Cessation &amp; Resources. The video can be accessed on the Consortium for a Healthier Miami-Dade’s YouTube channel: <a href="https://www.youtube.com/watch?v=3hJO75syFbY">https://www.youtube.com/watch?v=3hJO75syFbY</a>.</li> </ul> </li> </ul> |  |

The purpose of this activity was to gather the opinions of the committee to help create a food insecurity screening and resources toolkits. As part of the <i>CDC COVID-19 &amp; Health Equity Grant</i>, three food pantries will be created in the county. Assistance will be provided in establishing the food pantry and creating a network. The goal is to have a sustainable food pantry that can run on its own in the long-term. A registered dietician will also be available to provide counseling to clients in need of nutrition education. The following responses were captured:         </li> </ul> |                                                                                                                                                                                                               |  |  |                                                               |                 |               |           |     |   |          |     |   |              |     |    |              |             |           |                                                            |  |  |                                                 |  |  |                               |  |  |

|  | Number of persons and ages of household members                                                                                                                                                                                       |  |  |
|  | Are you familiar with food assistance programs                                                                                                                                                                                        |  |  |
|  | 3 Months is a good idea too.....                                                                                                                                                                                                      |  |  |
|  | Do you receive food assistance?                                                                                                                                                                                                       |  |  |
|  | Logistics ISSUES                                                                                                                                                                                                                      |  |  |
|  | Specify what is meant by the food "didn't last"                                                                                                                                                                                       |  |  |
|  | Possibly 3 months may give a better range too                                                                                                                                                                                         |  |  |
|  | Has client signed up for any food assistance program yet                                                                                                                                                                              |  |  |
|  | Make sure the timeframe asked about is consistent across all questions                                                                                                                                                                |  |  |
|  | Maybe there should be a last question, that does ask about 6 months too. I am more concerned about today, but I am concerned about future risk too                                                                                    |  |  |
|  | Also, If they are familiar with resources around them                                                                                                                                                                                 |  |  |
|  | Do they relieve food stamps                                                                                                                                                                                                           |  |  |
|  | No change                                                                                                                                                                                                                             |  |  |
|  | No changes to add                                                                                                                                                                                                                     |  |  |
|  | The time frame I prefer is 3 months                                                                                                                                                                                                   |  |  |
|  | I would like to maybe address an additional question such as if they're receiving SNAP                                                                                                                                                |  |  |
|  | Employment status                                                                                                                                                                                                                     |  |  |
|  | Maybe knowing if they already receive food assistance?                                                                                                                                                                                |  |  |
|  | <b>Total Responses: 21</b>                                                                                                                                                                                                            |  |  |
|  | Connecting individuals with community food resources is as important as the screening process. Having information about available resources on hand will facilitate the referral process. Together we can create this resource guide. |  |  |

|  |                                                                                                                                           |  |  |
|--|-------------------------------------------------------------------------------------------------------------------------------------------|--|--|
|  | <b>What would you include in this resource guide?</b>                                                                                     |  |  |
|  | Both                                                                                                                                      |  |  |
