CONSORTIUM FOR A HEALTHIER MIAMI-DADE

Health Promotion and Disease Prevention Committee Meeting
 Tuesday, March 15th, 2022
 2:00 PM – 3:15 PM

<p>Executive Board Update</p>	<ul style="list-style-type: none"> ▪ The Executive Board was supposed to have a presentation on mental health but had to have it rescheduled. The Consortium is planning to host a Mental Health Forum in September. The Board is requesting that a representative for a representative of each committee to be a speaker at the event. For the Health Promotion and Disease Prevention Committee, the presentation would focus on a related topic and how it relates to Mental Health. If you are interested in being considered as a speaker, email the committee liaison with your contact information and the topic you are interested in presenting at: Melissa.Maytin@flhealth.gov. ▪ There will not be a Consortium Annual Even this year, the Mental Health Forum will be hosted instead. The Consortium Annual Event will resume next year, and the Executive Board hopes to be able to host the event-person. ▪ The Consortium will also host the 3rd Annual Bounty of Health Fair this year. This event is primarily hosted by the Health Promotion and Disease Prevention Committee The event is normally held at the Florida Department of Health’s West Perrine Health Center. In the past vendors have donated items that are distributed in a drive-thru format along with a food distribution. Last year, over 300 families were served. ▪ The Executive Board also had a presentation by Karen Weller, Assistant Community Health Nursing Director of the Office of Community Health and Planning of the Florida Department of Health in Miami-Dade County. The presentation was a workplan review and provided an update on different committee indicators. This committee has 9 indicators, 3 have been completed, 4 are on track, and 2 of them are behind. Most of the activities where under health equity, access to care, chronic disease, and maternal child health. The committee is making good progress on their indicators. 	
<p>Presentation</p>	<p>“Opioid Overdose Prevention” presented by Thomas Guerra, Executive Director and David Villanueva, Recovery Peer Specialist at Miami Recovery Project, Inc. The presentation focused on how to recognize and respond to an opiate overdose, how do identify opioid overdose reversal products, specifically Narcan also known as Naloxone, and to understand Florida’s 911 Good Samaritan Law and the Emergency Treatment and Recovery Act.</p>
