Welcome and Introductions	The March 2023 monthly meeting of the Consortium for a Healthier Miami-Dade Children Issues Committee was brought to order by Dr. Cristina Brito at 10:05 a.m. All members were welcomed and introduced themselves.	
Approval of Minutes	There was a motion to approve the February 2023 Children Issues minutes by Heather Baker the motion was seconded by Jeff Hurst.	
Executive Board Update	Dr. Cristina Brito provided updates to the committee on the last Executive Board meeting that was held on Monday, March 13 th , 2023. Dr. Brito shared during this meeting the Executive Board had their Leadership Orientation. A reminder was shared the Vice Chair position for the Health and the Built Environment Committee is still vacant and this is a great community leadership opportunity. Additionally, it was shared this year is the Consortium's 20 th Anniversary. The event Taskforce has begun to meet and is in the process of scheduling site visits for the venue. A reminder was also shared with the members if they are interested in helping plan this event, to please join the Consortium Annual Event Taskforce and sign-up with your committee liaison.	
Healthy Baby Taskforce Update	The Healthy Baby Taskforce update was provided by Candice Schottenloher. The Healthy Baby Taskforce is a sub-committee of the Children Issues committee. The Taskforce last met in February and continued the discussion on how they could support the Green Cars for Kids efforts. The Taskforce also reviewed the updated draft wallet card and palm card designs for the Healthy Baby, Healthy Corner Store initiative. The Baby Safe Sleep Community Survey is still open to be completed. This survey will allow us to learn more about safe sleep in Miami-Dade. A reminder was shared to share the survey with your patients, clients, and partner organizations. The Taskforce will meet today at 12:30 p.m.	
Previous Action Items	During this committee meeting a brief overview of the <u>QR Resource Code Flyer</u> initiative was shared with the members. This is an opportunity for partners to share any updates on the dissemination of the flyer to the community and if organizations have any updated materials to include on the <u>Children</u>	
QR Code Resource Flyer	Issues Resource Page. This page includes the resources which link families and children to health care services and programs in Miami-Dade County. An update was shared under the Special Topics Section of the resources page, it now includes Miami-Dade County Parks, Recreation and Open Spaces and Therapeutic Recreation & Inclusion (Programs for Children, Adults, and Adults with Developmental Disabilities). It was also noted West Kendall Baptist Hospital (WKBH) will submit a flyer for the Autism Support Group that occurs every 2 weeks to share as an additional resource too.	
HWK Heart Health & Tobacco	Dr. Brito provided a recap and shared the success of Healthy West Kendall's virtual Heart Health & Tobacco Cessation presentations.
